

Health and Safety Officer – New England Area

About the role:

Maas Group Holdings is a ASX listed company, experiencing sustained growth across its key business units. MGH takes pride in their employees by encouraging and valuing their input into the organisational initiatives and decision making. This unique culture of our business is a key to attracting outstanding talents and to ensure there is a great working environment to sustain the successful continual growth of MGH and its associated business units.

We are currently seeking a Health & Safety Officer to be based in the New England area to join our already highly successful, results driven team.

Responsibilities:

- The WHS officer will lead the implementation of health and wellbeing strategies.
- Completing the administration and implementation of KPI's, targets and processes of WHS and Environmental performance to be monitored on site and to the client requirements.
- Conducting safety meetings, audits, and inspections to ensure compliance of relevant safety legislations.
- Identifying, recording, and reporting hazards, accidents, injuries, and health issues.
- Inspecting workplace and related tools and equipment to ensuring compliance with regulations.
- Ensuring all health and safety documentation is appropriately recorded and meets legislation requirements

To be successful in this role you will have qualifications in Work Health and Safety and a minimum 2 years' experience in a similar role.
