

Quarry Manager

About the role:

Regional Group Australia (RGA) is a subsidiary of MAAS Group Holdings (MGH)

RGA is a leading independent Australian construction material producer across regional NSW, in addition to our growing network of nine quarry locations, RGA also offers various other services to the industry such as crushing and screening, and drill and blast, whilst focusing on growing civil, infrastructure and mining end markets.

RGA has gained a reputation for being able to deliver the right product, service, and advice to enable any project to be delivered on time and on budget.

RGA is currently seeking a Quarry Manager to join their already dynamic, successful team. Reporting to the General Manager - Regional Group, the position will be based at Bald Hill Quarry, Orange NSW.

Duties & Responsibilities:

- Safety performance of employees and subcontractors
- Production targets, sales targets, and budget
- Quality control and client requirements
- Legislation requirements
- Coordination of site activities including delivery of products
- Development and ongoing production plans for the Quarry
- Risk assessments
- Weekly reporting to the Managing Director

Required skills:

- Excellent communication and organisational skills
- Current drivers' licence
- Current truck and dog trailer licence
- Front End Loader experience loading trucks
- Current NSW Practising Managers certificate (or the ability to obtain)
- Experience in management, leadership and demonstrate prior strong supervision skills
- Knowledge & experience with WHS Mines regulation and Mine Legislation
- A thorough understanding and prior experience in Earth moving, Mobile / Quarry plant and equipment (fixed and mobile)

Benefits:

- The ability to work in an ASX listed company
- The experience of working in a strong team
- Attractive salary and benefits

At Maas Group our employees are our best asset, and we pride ourselves on looking after you.

We engage, reward, and recognise our employees.
