

Town Planner

About the role:

Maas Group Holdings is a well-known leader in development in Regional NSW. As part of the team of experienced professionals you would be required to be involved in the undertaking of a variety of work on land development projects throughout NSW, you would need to be a versatile, energetic, and adaptable person.

Your duties will include:

- Undertaking development assessment processes and assessment relevant to various developments.
- Providing advice to clients and members of the public in the interpretation of relevant DCP's and other development advice to stakeholders on development matters.
- Liaising with and providing professional advice to stakeholders on development assessment matters.
- Engaging with consultants to assist in the provision of advice on technical matters as they relate to the assessment of Development Applications in a manner that aims to achieve Maas Group desired outcomes.

Essential Requirements:

- Relevant Town Planning and or Project Management (development) qualifications.
- 3-5 years previous local government or private consultancy Town Planning experience or similar.
- Good understanding of NSW planning requirements.
- Experience with land development requirements (incl. DA, CC's, SWC's, SC's etc.).
- Previous experience in the land development industry.
- Good project management and leadership skills.
- Good interpersonal skills.
- Intermediate MS Excel

This is an exciting career opportunity for the right person with concept and master planning through to project management and beyond on offer.

At Maas Group our employees are our best asset, and we pride ourselves on looking after you.

We engage, reward, and recognise our employees.

Come and join us, be part of our successful growing team, in what are exciting times ahead for Maas Group and our employees.
